

Website Volunteer

Role:	Website Volunteer
Where:	At home or at the Embracing Age office in East Twickenham
When:	Flexible – as and when available, on average an hour a week, but doesn't need to be every week
Why:	Embracing Age offers valuable befriending and support to care home residents, some of the oldest people in our community. We want to make sure our website is up to date and reflecting the difference our volunteers make
What does the role involve:	We already have a website which is hosted by Weebly. It is a very easy and intuitive website builder which doesn't require coding. Your role will be to add new content to the website, remove outdated content and ensure all links are working.
Attributes / skills needed:	Good IT skills Creativity Attention to detail
What's in it for you?	The opportunity to meet new people and work as part of a dedicated team. The satisfaction of knowing that you are making a big difference in the lives of vulnerable people in your community. Valuable volunteering experience that you can add to your CV.
What you can expect from us:	Induction before the role starts. Support from staff
